## **SCHOOL UNIFORM POLICY**

It is a condition of enrolment that students will wear the correct uniforms. The school uniform must be worn every regular school day.

On Inter house sports days and Sports Carnivals students are expected to wear the sports uniform shirt of their house team with their uniform shorts. If the student does not have an authentic house shirt the regular school uniform must be worn. Non authentic house team shirts are not permitted.

Students unable to wear the uniform on any particular day should provide a note of explanation. After three consecutive days of a student presenting in an incorrect uniform, a letter or an email from the Principal requesting an explanation will be forwarded to the parents of that child.

Footwear should be black. Shoes must be closed in to protect the wearer's foot. School socks are to be plain white ankle socks. A school cap is available as part of the uniform and should be worn during outside activities. Children may choose to wear non uniform headwear if it is for greater sun safety protection than is provided by the school cap. Non-school uniform head wear must not display offensive, suggestive messages or a message that may not be considered in the best interests of all school participants.

It is a requirement that students wear the correct school uniform to attend off campus excursions and/or represent the school in the community. School Uniforms and Sports Uniforms are available from the school.

**Please note that it is not acceptable to wear a 'T' shirt under the school shirt.**
