Primary Campus Newsletter

Hi everyone,
Finally, National Book Week is here. We launched the Book Week Program on Monday morning with a role play by the wonderful classroom assistant crew.

Assembly

Last Friday, we had a special, short farewell assembly to bid Clelia and Miles Yau who will be moving on to continue their schooling abroad. We wish them the very best success and *'Lukim Yu Bihain Taim'*

This Friday's assembly will be a special Book Character Parade assembly. Classes will have studied certain authors and chosen characters to model during the parade.

After-School-Program

Last week turn-up was great. The programs continue this week.

Virtue of the Week

This week's virtue is "Thankfulness". So say 'Thank You' whenever you see someone do or say something nice to you

Reading Jokes Corner

Q: Why do words and punctuations always end up in court?

Q: What do you need to see these clearly?

A: To be sentenced
A: Reading glasses

National Book Week

A Book Week program is in place this week. Various activities are in progress throughout the week.

Secret Reader

Special mention to our secret readers for the week. A secret reader planned for each day does ten-minutes reading during lunch in the library. For the past two days, we have had the opportunity to have Mr Moore and Hadassah Andagali (Yr 12) be our secret readers. The kids loved it.

Book Displays

As part of the Book Week traditions, various bookshops in town have been and will be displaying assorted stationery with discounted prices.

The stalls will be set up in the 'hauswins' in school; outside the canteen and the Grade 4-5 EM classroom.
