

TERM 3: WEEK 7

We have three and a half weeks to go in the term and a lot of learning to cover.

EXAM PREPARATION

Grade 12s are in the midst of mock exams this week. Grade 10s begin next week when the 12s sit the Australian Standardised Test. Thanks to the teachers who have prepared papers, now invigilate exams and will mark and debrief with students. These reflective weeks are crucial to maximising and sharpening the learning that has occurred.

INDEPENDENCE DAY CELEBRATION

Friday 14 September

CELEBRATING OUR NATION

Our Primary students have begun regional rehearsals for their Independence Day program. Teachers are planning some experiences that increase knowledge about respective regions but also provide interactive opportunities for families on our celebration day. Our Secondary students will have a more structured program. Thanks to the teachers for the considerably extra effort they go to in order for this to be an engaging time of learning about our identity. Please plan to join your children at the respective campuses. The Heads of Campus will distribute a whole of school program so parents can, potentially, be at each site at different times of the day.

HEAD OF CAMPUS PRIMARY

Ms Yimaye has been on leave for most of this Term but we look forward to welcoming her back to her role of Head of Campus Primary in Week 9. Mrs Kalenda will return to the Secondary Campus – after a full and busy time, capably carrying the Acting HoC role. This will allow Mrs Kalenda to fully support our Grade 12 English students as they head into exams. Ms Yimaye will be able to see out the end of Term with the Primary teaching team.

CHRISTIMAS MARKET

SAVE THE DATE - 1 DECEMBER

Our Primary Campus will be hosting a **Christmas Market** on Saturday 1 December. Start planning how you can be involved, as a seller or as a volunteer in the logistics for the day. It is major fundraiser for the P&F.
